RENATA

ABOUT ME

Extroverted and highly motivated Legal Professional with a **Master of Laws (LL.M)** degree and a **Doctor of Law title (2025)**. Specialized in EU law, constitutional law, and criminal law with strong interests in **cybersecurity, data protection, privacy law, and the legal implications of artificial intelligence**. Thesis research explored *"The Role and Challenges of Artificial Intelligence in the Context of Cybersecurity and International Law."*
Bringing **practical experience in litigation, negotiations, court proceedings, and international legal research**, Renata has developed strong analytical, drafting, and client-facing skills in both Hungarian and English. Currently seeking opportunities in the Netherlands to contribute legal expertise within a forward-thinking team at the intersection of law and technology.

EDUCATION

Jurist (LL.M) – Károli Gáspár Reformed Church University, May 2025
Event Organizer – Edutus College 2019–2020
High School Diploma – Óbudai Árpád High School 2014–2018

PROFESSIONAL EXPERIENCE

Sales Assistant – **Jack & Jones, Roermond, Netherlands** 2024

- Assisted customers in product selection, sales transactions, and inquiries.
- Maintained store displays and contributed to delivering a high-quality customer experience.

Legal Officer – **Dr. Földes István Law Firm, Budapest, Hungary** Jan 2022 – Dec 2023

- Worked on international private law and litigation cases, providing legal representation.
- Drafted legal documents and correspondence in **Hungarian and English**.

- Managed public administration matters and supported criminal law cases.
- Acted as the primary point of contact for clients, ensuring clear communication and support across civil, criminal, and administrative law.

Legal Intern – Dr. Gerő Tamás Law Firm, Budapest, Hungary Oct 2020 – May 2023

- Supported attorneys in cases involving sports law, criminal law, and civil law.
- Conducted extensive **legal research** on EU directives, international law, and the Hungarian Civil Code.
- Assisted in litigation preparation, drafted documentation, and participated in client negotiations.
- Contributed to **translation projects** for EU directives and other legal texts.

Procurement Specialist – FrieslandCampina, Budapest, Hungary Jan 2022 – Dec 2023

- Supported sourcing and procurement by identifying suppliers, preparing orders, and comparing quotations.
- Maintained accurate procurement records using **SAP, Horizon, and Coupa**.
- Worked in a multicultural environment, managing all tasks in English with high attention to detail.
- Gained insights into **corporate systems and international business operations**.

PROJECT HIGHLIGHTS

1. **AI & Cybersecurity Research Thesis** – Explored the intersection of international law and artificial intelligence in cybersecurity, emphasizing regulatory and ethical challenges.
2. **Translation of EU Directives** – Contributed to multilingual legal research and translation of EU directives into Hungarian, improving cross-border accessibility.
3. **Litigation Preparation** – Assisted attorneys in structuring case materials for civil and criminal proceedings, ensuring accuracy and compliance.
